

## **Musical Services**

Casey's musical repertoire includes many hundreds of songs and a variety of musical genres, including traditional pop and jazz standards from the Great American Songbook, songs from Broadway and musical theatre, classical, operetta, folk music, religious hymns, and Christmas music, in addition to his original material. He typically performs in cabaret-style engagements with a pianist, who is also adept at a wide variety of musical genres, from jazz to classical, but other instruments can be added depending on the particular event. Casey is available for the following types of engagements:

- Cabaret Engagements
- Private Parties and Events
- Festivals
- Church Services
- Wedding Services
- Wedding Receptions
- Community Events
- Museum Events
- Restaurant Entertainment
- Senior Living Center Entertainment

Casey is also a songwriter and has performed many of his own compositions in concert. He is available for song composition and collaboration in any genre.
